ABOUT RICH AF

From TikTok star and Your (favorite) Rich BFF Vivian Tu, the definitive book on personal finance for a new generation

When Vivian Tu started working on Wall Street fresh from undergrad, all she knew was that she was making more money than she had ever seen in her life. But it wasn't until she found a mentor of her own on the trading floor that she began to understand what wealthy people knew intuitively—the secrets to beating the proverbial financial game that has, for too long, been male, pale, and stale.

Building on the lessons she learned on Wall Street about money and the markets, Vivian now offers her best personal finance tips and tricks to readers of all ages and demographics, so that anyone can get rich, whether you grew up knowing the rules to the game or not. Vivian will be *your* mentor, dispensing fresh, no-BS advice on how to think like a rich person and create smart money habits. Throughout the pages of *Rich AF*, Vivian will break down her best recommendations to help you:

- Maximize your earnings to get more out of your 9-to-5
- Understand the differences between savings accounts, and where you should keep your money
- Identify the tax strategies and (legal) loopholes you need to retire in style
- Overcome investing fears to secure wealth for generations

And much more!
